

Queen's Park Primary School

Behaviour Curriculum

The Queen's Park School behaviour curriculum

Pupils are expected to:

- Follow the behaviour curriculum.
- Follow the school behaviour policy and uphold the school rules
- Support their house
- Uphold the school values
- Contribute to a kind and inclusive community
- Always wear the correct uniform

In order to help children to feel safe, we believe that our school needs to be high in both nurture and structure. Children need predictable routines, expectations and responses to behaviour. These must be in place and modelled appropriately by all adults, within the context of a safe and caring school environment. Please see Appendix 2 for our Behaviour Curriculum which outlines our routines.

We have three simple rules that we expect all adults and children to follow:

Rule	We do...	We do not ...
Show integrity	We are honest, do the right thing and stand up for what is right – even when it is not easy.	We do not stop others from learning or playing. We do not misuse equipment or our environment.
Work collaboratively	We contribute, engage and learn together. We make the most of learning opportunities with everyone in our school community.	We do not exclude anyone or disrespect others' ideas.
Strive for excellence	We try to be the best version of ourselves. We show excellent behaviour, learning, attitude and engagement.	We do not give up or settle for less than our best.

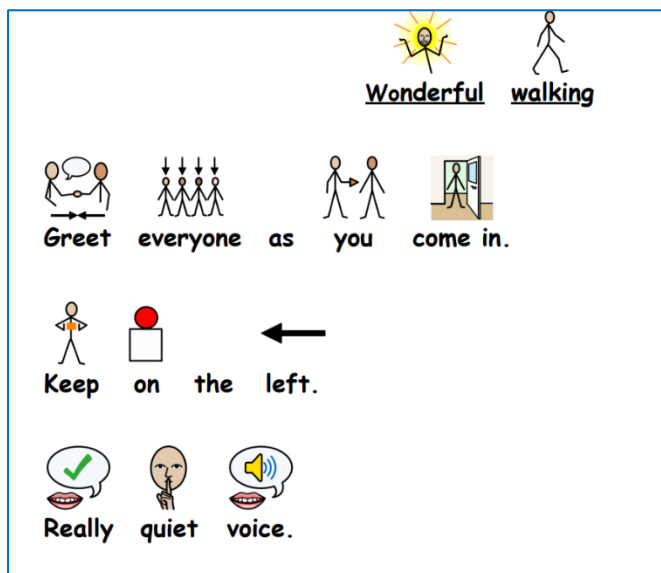

Show kindness	We are kind to ourselves, each other and visitors. We show kindness in our decisions.	We do not treat others' unkindly with words or actions.

Our Routines

Staff and children have worked together to agree our Behaviour Curriculum routines. See below:

Wonderful Walking

We walk around school using Wonderful Walking to make sure the learning of other children is not disrupted.

Our break time toilet routine
